

CVR/IT Consulting To Provide Project Management Office Consulting and Training Through BOT MENA

Services Will Be Available For Organizations Located In The Middle East And North Africa Beginning in April, 2010

CVR/IT Consulting LLC, a NC based Project Management Services provider serving the Raleigh Metropolitan Area, announced today that it will provide Project Management Office (PMO) consultation and training through BOT MENA. BOT MENA, the Middle East and North Africa operation arm of BOT International, is a boutique PMO Setup and Management Consulting firm with locations in Dubai and Abu Dhabi, UAE. Through this agreement, BOT MENA obtains the services of Dr. Gary J. Evans, PMP, principal of CVR/IT Consulting. Dr. Evans is a highly experienced PMO consultant and highly regarded Project and Portfolio Management trainer. BOT MENA will offer CVR/IT consulting and training services to BOT MENA clients.

Implementation of Project and Portfolio Management principles and techniques is fast becoming a primary key to success in many top industries today. Dr. Evans, with over two decades of project management experience and years of hands-on PMO development work, has been helping businesses and business professionals achieve their project and professional goals through advanced project management and PMO training and consulting since 2002.

PMO consultation and training sessions employing Dr. Evans' extensive curriculum will be available to BOT MENA clients starting in April, 2010.

About CVR/IT Consulting LLC

CVR/IT Consulting is a project services, training and staffing company located in Raleigh/Durham NC. The company provides formal professional consultation in all matters related to Project Management, including PMO Setup and Optimization, training, project practice assessment, organizational change management and Project Portfolio management. The principal, Dr. Gary Evans, is a certified Project Management Professional (PMP) and past officer of the North Carolina chapter of the Project Management Institute (www.ncpmi.org).

About BOT MENA

BOT MENA, a boutique PMO Setup and Management Consulting firm, is the Middle East and North Africa operation arm of BOT International. BOT International is a pioneer of the PMO Architecture concept and the market leader of PMO Content Asset solutions, with over 1,000 implementations worldwide. BOT MENA offers its clients very senior consultants with each having 20+ years of frontline operational experience in senior and executive positions. These exceptional, results-driven professionals use a business driven approach to assist in setting up, restructuring and managing the Project/Program/Portfolio Management Office (PMO). Services include rapid PMO setup, definition of tailored project management processes, best practices and policies, and implementation of project and program office best practices.
