## **CVR/IT And Eogogics Collaboration Expands Project Management Training Options**

**Advanced Project Management Training For Businesses And Project Management Professionals  
Will Be Available Beginning In Autumn Of 2008**

CVR/IT Consulting LLC, a Raleigh/Durham, NC based Project Management Services provider, announced today that it will provide Project Management curriculum and training services to Eogogics, Inc., a Technology and Soft Skills Training and Services company based in Vienna, VA. Through this agreement, Eogogics obtains the services of highly sought speaker and Project Management trainer Dr. Gary J. Evans, principal of CVR/IT Consulting.

Mastery of Project Management techniques is fast becoming the most widely sought key to success in many top industries today. Dr. Evans, with over two decades of project management experience, has been helping businesses and business professionals achieve their project and professional goals through advanced project management training and consulting since 2002.

Eogogics, Inc. offers training, consulting, R&D, and other knowledge services in both high-tech and soft skills areas including engineering, systems integration, telecommunications, wireless, networking and IT, public safety, security, law enforcement, professional and management development, and leadership. Eogogics training offerings include onsite seminars, tutorials, courses and boot camps as well as public courses and web based training.

Training sessions employing Dr. Evans' curriculum will begin in the fall of 2008.
